Karen Wieckert
Jeannette Wing

All the authors listed above are associated with either the Laboratory for Computer Science or the Artificial Intelligence Laboratory. All the women who were Computer Science graduate students in residence at MIT in 1981 participated in writing this report.

In addition, Ronni Rosenberg, a former Computer Science graduate student, edited the report.

We also would like to acknowledge the care and effort given by the many people who read and reviewed this document during preparation. They are too numerous to list here, but their contributions were of great importance to us.
