Declared Interests of 1999 Full-Time Graduate Program Matriculants

- Embedded Systems, VLSI Systems, and Reconfigurable Computing
- Computer Architecture
- Operating Systems, Distributed Systems, and Networking
- Programming Systems
- Information Retrieval, Database Systems, and Intelligent Internet Systems
- Software Engineering
- Computer Graphics, Computer Vision, and Animation
- Human Interface to Computing
- Artificial Intelligence
- Theory of Computation
- Computing and Biology
- Parallel Computing
- Undecided
